

What do you think?

Read the opinions below about the world of dating. Do you agree or disagree?

"Dating is a fantastic opportunity to meet new people, how exciting!"

Every date, even if it doesn't end with a relationship, is a great opportunity to learn something new about yourself and the world."

"I'm sick and tired of answering the same questions. From now on my favourite colour is a secret!"

"A lot of people are just looking for a fun adventure and not a serious relationship."

"I feel like I have to go on dates as everyone around me is in a relationship. Honestly, I'm just happy being single."

"Dating in the modern world is a lottery."

"People nowadays are so afraid of commitment!"

"Dating is a great opportunity to figure out what you really want in a relationship."
