Pet edition - opinions

Pets are part of the family.

Owning a pet is a huge responsibility – It's not just cuddles; it's time, money, and commitment.

Adopt, don't shop.

Pets improve mental health.

Certain breeds are dangerous.

Indoor cats live longer.

Pets shouldn't be left alone all day.

Some people love their pets too much.

Exotic pets shouldn't be allowed.

It's okay to rehome a pet if things don't work out.

You shouldn't own a pet if you can't afford vet care.

Pets can help teach kids responsibility.

Letting dogs sleep in your bed is gross.

Allergies are no excuse to avoid pets.

Pet ownership should require a license or training.
