

The missing inheritance

Discussion Questions – Family (Inspired by The Missing Inheritance)

1. How would your family react if a mysterious will like this appeared?
2. Do you think family relationships are more important than money or inheritance? Why or why not?
3. Have you ever had a disagreement or competition with a family member? How did it end?
4. What do you think makes a family close or distant?
5. Do you believe secrets in families can bring people closer—or push them apart?
6. How do you usually celebrate special family moments (birthdays, reunions, holidays)?
7. If you could give your future grandchildren one thing—besides money—what would it be?
8. In the story, Lisa believes the “treasure” is about togetherness. Do you agree with her?
9. What role do traditions or memories play in your family?
10. If your family won a trip together, where would you want to go, and why?
